AGREEMENT
between
QUEENSBURY
UNION FREE SCHOOL DISTRICT
and
QUEENSBURY FACULTY ASSOCIATION

ARTICLE I - AGREEMENT

This agreement made and entered into as of this first day of July, 2002, by and between the Chief School Officer of the Queensbury Union Free School District and the Queensbury Faculty Association (hereinafter referred to as the "Association").

ARTICLE II - RECOGNITION

The Board of Education hereby recognizes the Queensbury Faculty Association as the exclusive representative of all professional personnel, excluding the administrative and supervisory personnel and per diem substitute teachers. Per diem substitute teachers are defined as those working less than thirty (30) consecutive school days or not over thirty (30) consecutive school days in a given assignment.

ARTICLE III - PRINCIPLES

1. **RIGHT TO JOIN OR NOT JOIN** It is further recognized that the employee has the right to join, or not to join an employee organization, but membership shall not be a prerequisite for employment or continuation of employment of any employee. The District shall deduct from the salaries of those members of the bargaining unit who are not members of the Queensbury Faculty Association Local 2944, as submitted by the Association, a service fee (Agency Fee) equivalent to the dues paid by members of the Queensbury Faculty Association, Local 2944.

The service fee shall be deducted in twenty (20) equal installments beginning with the second pay check of the school year and transmitted promptly to the Queensbury Faculty Association, Local 2944.

It is agreed that the non-bargaining unit members hired by the School District for coaching or other activities listed in Article XVI of the parties' collective bargaining agreement shall be subject to the agency fee provision of the parties' collective bargaining agreement. The agency fee for such individual shall be 1/40th of Queensbury Faculty Association dues per week of such regularly scheduled activity.

It is further agreed that such individual shall not be entitled to receive any benefit of the parties' collective bargaining agreement other than the salary listed in Article XVI of the agreement.

Upon employee request, the District will make payroll deductions for NYSUT Benefit Trust. An employee will be allowed only two such requests a year, to begin and/or to stop.

2. AGENCY FEE INDEMNIFICATIONS The affected employee and the Association, jointly and severally, agree that except for cases arising out of the District's failure to make agency fee deductions or the making of inaccurate agency fee deductions, the Association will provide the District with legal counsel at no charge to the District. When the Association provided attorneys are used by the District, the affected employee and the Association agree to relieve the Board and District of any liability and indemnify and hold the Board members and District from any and all claims, demands, suits, or other forms of liability by reason of an action taken against the Board or the District pursuant to the provisions of this agency fee article. This clause shall not be construed to limit the Board or District from retaining its own legal counsel at District expense for representation in any action arising out of agency fee.

3. RIGHTS OF INDIVIDUALS

- A. The official District professional employee personnel file shall be in the Central Office, or at a location in the school district determined by the Chief School Officer.
- B. A unit member and/or his/her designee may inspect the contents of the unit member's personnel file upon request. Pre-employment materials are exempted.
- C. A copy of any material in the unit member's personnel file will be made available free of cost upon request except such requests will be reasonable both in regards to the number of items to be copied and the number of unit members making the request at any one time.
- D. Nothing may be added to this personnel file that has not been first given to the unit member. The unit member will sign and date said material indicating that he/she has seen it but in no way demonstrating an agreement as to its contents. In the event that a teacher refuses to sign any materials to be included in the file, an officer of the Association may be called upon to provide acknowledgment.
- E. No material shall be placed in the unit member's file unless it is signed and dated by the author.
- F. Each employee will be afforded the opportunity to confront any complainant before any record of complaint made by parents, student, or member of the community may be placed in the employee's file. The foregoing procedure shall not preclude the administration from making its own investigation of the complaint.
- G. During each school year, any teacher may have any materials five (5) years old withdrawn from the file upon request. Pre-employment documents and formal evaluations are excluded from this section.

4. RESPONSIBILITY OF DISSEMINATION

- A. A copy of the agenda of each meeting of the Board of Education will be made available to the Association representative.
- B. A copy of the official minutes of each meeting of the Board of Education will be forwarded to the President of the Association, when available.

ARTICLE IV - AREAS FOR DISCUSSION & AGREEMENT

This recognition constitutes an agreement between the Board of Education and the Association to reach mutual understandings regarding matters related to terms and conditions of employment. The Board of Education and the Association recognize that Queensbury School District must operate in accordance with all statutory provisions of the State, and such other rules and regulations as are promulgated by the Commissioner of Education, Legislature and the courts in accordance with such statutes.

ARTICLE V - PROCEDURES FOR CONDUCTING NEGOTIATIONS

1. **NEGOTIATING TEAMS** - Designated representative(s) of the Board of Education will meet with the representative(s) designated by the Association for the purpose of discussion and negotiation. The negotiators shall furnish each other with data, information, reports, forms or materials that have bearings on negotiations.
2. **OPENING NEGOTIATIONS** - Upon request of either party for a meeting to open negotiations on a successor contract, a mutually acceptable meeting date shall be set not more than fifteen (15) days following such request. Such request shall be made between November 15 and December 15 in the last year of the existing contract. All issues proposed for discussion shall be submitted in writing by the Association at the first meeting. The Chief School Officer or his representative shall also submit in writing all issues upon which the Chief School Officer or his/her representative wish to negotiate at the first meeting. After the initial exchange of issues by both parties no new issues may be introduced by either party during that year's negotiating sessions. The second meeting and all necessary subsequent meetings shall be called at times mutually agreed upon by both parties.
3. **NEGOTIATION PROCEDURES** - Designated representative(s) of the Board of Education shall meet at such mutually agreed upon times with representatives of the Association for the purpose of effecting a free exchange of facts, opinions, proposals and counter proposals in an effort to reach mutual understandings. Both parties agree to conduct such negotiations in good faith and to deal openly and fairly with each other on all matters. Following the initial meetings as described in paragraph 2 above, such additional meetings shall be held as the parties may require to reach an understanding on the issue(s). Meetings shall not exceed three (3) hours except by mutual agreement and shall be held at a time other than during the regular school day.
4. **REACHING AGREEMENT** - When consensus is reached covering the areas under negotiation, the proposed agreement shall be reduced to writing and submitted to the Association and the Board of Education for approval.

"IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL."

If any provision of this agreement or any application of the agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed to be valid and subsisting, except to the extent permitted by law but all other provisions or applications will continue in full force and effect.

Any existing Board policy, either written or understood, affecting terms and conditions of employment of faculty members, will continue to remain in effect unless specifically altered by this agreement.

ARTICLE VI - GRIEVANCE PROCEDURE

Section I - Declaration of Purpose

WHEREAS, the establishment and maintenance of a harmonious and cooperative relationship between the Board of Education and its teachers is essential to the operation of the schools, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances through procedures under which members of the recognized unit and/or the Association may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which the Board of Education (hereinafter sometimes referred to as the Board) and its teachers are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies and/or in the courts.

Section II - Definitions

- 2.1 A Grievance is a claim by any teacher of an alleged violation of this Agreement with respect to its application or interpretation.

The parties agree that the only grievances which shall be arbitrable hereunder shall be violations of this Agreement. Any other grievances shall follow the procedure filed under General Municipal Law (Chapter 554 of the Laws of 1962).

- 2.2 The term Building Principal shall mean the principal of the building responsible for the area in which an alleged grievance arises.
- 2.3 The Chief School Officer is the Superintendent of Schools of the Queensbury School District.
- 2.4 Association shall mean Queensbury Faculty Association.
- 2.5 Aggrieved Party shall mean the Association and/or any person in the negotiating unit filing a grievance.

- 2.6 Party in Interest shall mean any party named in a grievance who is not the aggrieved party.
- 2.7 Hearing Officer shall mean any individual or board charged with the duty of rendering decisions at any stage on grievances hereunder.

Section III - Procedures

- 3.1 Except at the informal stage all grievances shall include the name and position of the aggrieved party, the identity of the provision of law, this Agreement, policies, etc., involved in the said grievance, the time when and the place where the alleged events or conditions constituting this grievance existed, the identity of the party responsible for causing the said events or conditions, if known to the aggrieved party, and a general statement of the nature of the grievance and the redress sought by the aggrieved party.
- 3.2 Except for the informal decisions at Stage 1A, all decisions shall be rendered in writing at each step of the grievance procedure, setting forth findings of fact, conclusions and supporting reasons therefor. Each decision shall be promptly transmitted to the teacher and the Association by the hearing officer.
- 3.3 The preparation and processing of grievances, insofar as practicable, shall be conducted during the hours of employment. Reasonable effort will be made to avoid interruption of classroom activity and to avoid involvement of students in any phase of the grievance procedure.
- 3.4 The Board and the Association agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning the alleged grievance.
- 3.5 Except as otherwise provided in Articles 5.1A and 5.1B, an aggrieved party or his designated representative shall have the right at all stages of a grievance to confront and question all witnesses called against him, to testify and to call witnesses on his own behalf, and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure.
- 3.6 No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the Board or by any member of the administration against the aggrieved party, any party in interest, any representative, any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.
- 3.7 If necessary, forms for filing grievances, serving notices, taking appeals, and making reports and recommendations, and other necessary documents, will be developed by the Association and Board of Education. The Chief School Officer shall then have them printed and distributed so as to facilitate operation of the grievance procedure. See attached "Appendix C" as to form.
- 3.8 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 3.9 Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration

and having said matter informally adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and the Association has been given an opportunity to be present at such adjustment and to state its views. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, which such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon either of the parties to this Agreement in future proceedings.

- 3.10 The grievant may choose whomever he wishes to represent him at Stages I, II and III of this procedure, except that such representative may not be a representative of a competing employee organization.
- 3.11 The Chief School Officer shall be responsible for accumulating and maintaining an Official Grievance Record which shall consist of the written grievance, all exhibits, transcripts, communications, minutes and/or notes of testimony, as the case may be, written arguments and briefs considered at all levels other than Stage 1A and all written decisions at all stages. Official minutes in summary form will be kept at Board expense of all proceedings in Stages 2 and 3. A copy of such minutes will be made available to the aggrieved party and the Association within one (1) week after conclusion of hearings at Stages 2 and 3. Either party will advise the appropriate hearing officer of any errors in said minutes within one (1) week. Any such claim of error in the minutes shall become a part of the Official Grievance Record and the hearing officer shall indicate the determination made respecting such claimed error. The Official Grievance Record shall be available for inspection and/or copying by the Aggrieved Party, the Association and the Board but shall not be deemed a public record.
- 3.12 The existence of the procedures hereby established shall not be deemed to require any teacher to pursue the remedies here provided and shall not, in any manner, impair or limit the right of any teacher to pursue any other remedies available in any other form.

Section IV - Time Limits

- 4.1 Since it is important to good relationships that grievances be processed as rapidly as possible, effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.
- 4.2 No written grievance will be entertained as described below, and such grievance will be deemed waived unless written grievance is forwarded at the first available stage within fifteen (15) school days after the teacher knew or should have known of the act or condition on which the grievance is based.
- 4.3 If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this Agreement shall be barred.
- 4.4 Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

- 4.5 In the event a grievance is filed on or after June 1, upon request by or on behalf of the aggrieved party, the time limit set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is possible.

Section V - Stages of Grievance

5.1 Stage 1: Building Principal

- a. A teacher having a grievance will discuss it with his/her Building Principal either directly or through a representative, with the objective of resolving the matter informally. The Building Principal will confer with all parties in interest but, in arriving at his/her decision, will not consider any material or statements offered by or on behalf of any such party in interest with whom consultation has been had without advising the aggrieved party of his/her representative. If the teacher submits the grievance through a representative, the teacher may be present during the discussion of the grievance.
- b. If the grievance is not resolved informally, it shall be reduced to writing and presented to the Building Principal. Within five (5) school days after the written grievance is presented to him/her, the Building Principal shall render a decision thereon, in writing, and present it to the aggrieved party and the Association. During this five (5) day period, the aggrieved party may decline to discuss the grievance unless his/her representative is present.

5.2 Stage 2: Chief School Officer

- a. If the aggrieved party initiating the grievance and/or the Association are not satisfied with the written decision at the conclusion of Stage 1, a written appeal of the decision at Stage 1 with the Chief School Officer may be filed within five (5) school days after the aggrieved party has received such written decision. Copies of the written decision at stage 1 shall be submitted with the appeal.
- b. Within five (5) school days after receipt of the appeal, the Chief School Officer, or his/her duly authorized representative shall hold a hearing with the aggrieved party, his/her representative and the Stage 1 hearing officer.
- c. The Chief School Officer shall render a decision in writing to the aggrieved party and the Association within five (5) school days after the conclusion of the hearing.

5.3 Stage 3: Board of Education

- a. If the aggrieved party and/or the Association are not satisfied with the decision at Stage 2, an appeal may be filed in writing with the Clerk of the Board of Education within five (5) school days after receiving the decision at Stage 2. The official grievance record maintained by the Chief School Officer may be available for the use of the Board of Education.
- b. Within five (5) school days after receipt of an appeal, the Board of Education shall hold a hearing on the grievance. The hearing shall be conducted in executive session. The

aggrieved party, his/her representative, the Stage 1 and the Stage 2 hearing officers are to be present.

- c. Within five (5) school days after the conclusion of the hearing, the Board of Education shall render a decision, in writing, on the grievance. Such decision shall be promptly transmitted to the grievant and the Association.

Section VI - Arbitration

- 6.1 After such hearing, if the Association is not satisfied with the decision at Stage 3, and the grievance constitutes a violation of this Agreement, the Association may submit the grievance to arbitration by written notice to the Clerk of the Board of Education within five (5) school days of the decision at Stage 3.
- 6.2 Within five (5) school days after such written notice of submission to arbitration, a request for a list of arbitrators will be made to the American Arbitration Association by the aggrieved party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- 6.3 The selected arbitrator will hear the matter promptly and will issue his/her decision not later than fourteen (14) calendar days from the date of the close of the hearing, or if oral hearing, or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues.
- 6.4 The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which is a violation of the terms of this Agreement or such rules and regulations as are promulgated by the Commissioner of Education.
- 6.5 The decision of the arbitrator shall be final and binding upon all parties.
- 6.6 The costs for the services of the arbitrator will be borne equally by the Board of Education and the Association.

ARTICLE VII - LEAVES OF ABSENCE

1. SICK LEAVE

- A. First year teachers and substitute contract teachers will receive 7-1/2 days of sick leave on September 1 and 7-1/2 days at midterm. Full-time teachers shall be entitled to fifteen (15) days of sick leave for each school year for: personal illness, quarantine, illness in immediate family, funeral other than immediate family.
- B. Unused days of sick leave shall be accumulated without limit.
- C. Part-time professional personnel will be granted a prorated number of days of sick leave.
- D. Each teacher will be furnished with a statement of his/her accumulated sick leave to date no later than November of each year.

- E. If any full-time teacher uses all of his/her accumulated sick leave due to a prolonged illness, he/she may request up to thirty (30) days on future anticipated sick leave allotments. Additional days beyond this may be granted upon recommendation of the Superintendent and the approval of the Board of Education. The employee will return not less than one-half of his/her annual accumulated sick leave to the district per year.
- F. Unit members who retire pursuant to the New York State Teachers Retirement System with at least 10 years of service in the Queensbury Union Free School District and who are members of the District Health Insurance Program at the time of retirement may elect to exercise one of the following options. Once an option has been implemented, changing options is not allowed.

OPTION I

One (1) month of free basic health insurance for each four (4) days of accumulated sick leave up to a maximum of 96 months (384 days accumulated sick leave) at the time of retirement.

OPTION II

One (1) month of free dental insurance for each two (2) days of accumulated sick leave up to a maximum of 96 months (192 days accumulated sick leave) at the time of retirement.

OPTION III

One (1) month of free basic health and dental insurance for each six (6) days of accumulated sick leave up to a maximum of 96 months (576 days accumulated sick leave) at the time of retirement.

The retiring unit member may designate the date on which their health insurance benefit begins. If the spouse of a unit member is also employed by the District, his/her sick leave will be applied in the same manner. There will be no further proration. At the time of retirement, the unit member and/or unit member and spouse will receive in writing the aggregate number of months of health insurance in effect in the District. At the time when a contribution must be made, notice of the amount and dates of first and future payments will be forwarded to the retiree(s) by the District.

- G. In the event of the death of an active employee, the District will automatically cover the cost of the first three (3) months of basic health insurance for the surviving/designated spouse. Additionally, if the employee has accumulated sufficient sick time, the District will cover the cost of basic health insurance up to a maximum of six (6) months. (i.e., six (6) months x four (4) days - 24 days accumulated sick leave).

2. EMERGENCY LEAVE

- A. In addition to the above (1.) not more than two (2) days absence per year, for such purposes may be approved.

- B. Only absences for such emergency business that cannot be scheduled on other than a school day, and is not covered by other leave provisions, may be approved by the Superintendent.
- C. Emergency leave absences may not be used for the purpose of extending a vacation or engaging in an activity for financial gain.
- D. In the event that the request for absence for emergency business is of such a nature that the teacher would prefer not to discuss the matter with his/her immediate superior the request can be made directly to the Superintendent. In cases involving intimate personal concerns or where privacy is a matter of urgency, the Superintendent may grant the Emergency Leave to the teacher based solely upon the teacher's request for said leave.
- E. In addition to the provisions of the emergency leave policy, supplementary time necessary for appearance in any legal proceeding, or for the performance of jury duty may be allowed upon the written approval of the Superintendent. A teacher receiving such leave shall reimburse the School District for any fees he/she received as a juror or witness.
- F. Upon request, the Queensbury Faculty Association Negotiations Committee will be provided annually with a list of reasons for which emergency leaves were granted and denied.
- G. Emergency leave may be used for religious observances. In the event that such usage causes the unit member to exceed the two emergency days provided, he/she will be allowed one additional, paid emergency leave day.
- H. If an employee uses only one (1) emergency day and the aforementioned day is used for religious purposes or if an employee uses no emergency days during a school year, the two (2) unused emergency days will be accumulated as one day of additional sick leave to be added to the employee's sick leave the first day of the following school year.

3. BEREAVEMENT LEAVE

- A. In the event of death in the immediate family (mother, father, husband, wife, children, brother, sister, grandparents, grandchildren, in-laws: mother, father, brother, sister, son, daughter, step-children) bereavement leave of up to five (5) consecutive school days, exclusive of summer vacation, will be granted with pay for each occurrence. These days are to be used within 15 calendar days of the death of any immediate family member covered by this provision and shall not be accrued from one school year to the next school year. Attendance at any other funeral shall be considered the same as a day of personal illness.

4. CHILD REARING LEAVE

- A. Any teacher is entitled to apply for unpaid child rearing leave in accordance with provisions of law and Board policy. An unpaid child rearing leave for a period up to ten months after the birth or adoption of a child up to seven years of age for the purpose of caring for such child will be granted by the Board of Education.

- B. A child rearing leave shall not count toward the fulfilling of probationary requirements, however, such leave shall not result in the loss of any "probationary time" earned prior to the start of such leave.
- C. A teacher returning from child rearing leave will be placed on a salary schedule according to the teacher's credited years of service and will return to the teacher's area of certification. If the leave was begun between February 1 and August 21, the teacher will be placed in one level higher than that in effect at the beginning of the leave.
- D. A teacher requesting child rearing leave shall be required to: (1) notify the immediate supervisor of the request at least five months prior to the anticipated commencement of the leave unless adoption is involved in which case the teacher will give notice of one month if there is no way of meeting the five month requirement; and (2) notify the superintendent of the teacher's date of intention to return to work. Failure to so notify the superintendent, or acceptance of a position in another school system by the teacher, will automatically terminate such leave and shall constitute resignation.
- E. Sick leave may not be used for child rearing purposes or as part of any child rearing leave.

5. SABBATICAL LEAVE

The Board of Education may grant sabbatical leave on the following basis: application for sabbatical leave will be submitted for consideration to the applicant's immediate supervisor and the Superintendent. Recommendations will then be submitted to the Board of Education for consideration. The applicant must have completed seven (7) years in the system and must agree to the following terms:

- A. Sabbatical leave of one (1) year or one-half ($\frac{1}{2}$) year, with payment in either case at one-half ($\frac{1}{2}$) pay.
- B. Return to the system for a minimum of two (2) years immediately following his/her leave.
- C. Application made by February 1 and applicant informed on action taken no later than April 1. (The applicant may request of the Board of Education the reasons for refusal to grant sabbatical leave.)

If the sabbatical leave is granted, the recipient and the Board of Education must sign a written agreement to the following conditions:

- I. Upon completion of sabbatical leave, the recipient will return to the system and be placed in his/her area of certification. The one exception to this arrangement would be if the sabbatical had been granted so that the recipient might pursue courses which would be beneficial in assuming a new position within the system. The arrangement would have to be made before the sabbatical leave of absence and signed by both the Board of Education and the recipient.
- II. During the sabbatical leave, the benefits of the recipient will accrue as if he/she were teaching in the system.

- III. Payment for sabbatical leave will be made to the recipient at regular intervals rather than in one lump sum.

In order to protect both the Board of Education and the School District, the recipient must sign an agreement to reimburse the Board of Education any and all monies received from the district during the leave if he/she fails to return for the required number of years immediately following the termination of his/her sabbatical leave.

6. OTHER LEAVES OF ABSENCE

- A. Visitations and Conferences - Teachers will be entitled to the following absences with pay each school year in addition to the sick leave and emergency leave specified and are non-accumulative.

Three (3) days will be allowed, for the purpose of visiting other schools or attending meetings or conferences of an educational nature, upon written approval of the Superintendent.

- B. Military Leave - Will be granted as provided by Military Law. Upon return from such leave, a teacher who has completed at least one (1) year of service prior to induction by Selective Service Law requirements will be placed on the salary schedule at the level he/she would have been had he/she remained actively employed in the school system during the period of military service. Such salary credit shall be limited to a maximum allowance of two (2) years.

Any military service rendered previous to July 1, 1972 shall not be allowed under this policy.

- C. Leaves Without Pay - A person applying for such a leave shall be notified of the decision of the Board of Education in writing. Upon completion of the leave, the recipient will return to the system and be placed in his/her area of certification.

7. APPLICATION FOR LEAVE - All requests for leaves or extensions or renewals of leaves will be applied for and responded to in writing.

8. NOTIFICATION OF RETURN TO SERVICE - A teacher on leave of absence shall notify the Superintendent as to his/her intention to return to service at least five (5) months prior to the expiration date of such leave or at the time of leave, whichever is less.

ARTICLE VIII - PHYSICAL EXAMINATIONS

Teachers are encouraged to have a physical examination at least once every two (2) years and have a copy of these reports filed with the school physician. If the Board of Education requires a teacher to have a physical examination, the examination will be by a school appointed physician and the cost borne by the Board of Education. However, if the teacher wishes, he/she may consult his/her own physician and meet the expenses of the examination himself/herself.

ARTICLE XII - STANDARDS AND PROCEDURES FOR IN-SERVICE COURSES

1. The intent of this policy is to encourage teachers to continue their education in order that they may enhance their teaching effectiveness and acquaint themselves with new educational concepts and techniques in their fields.
2. These goals may be accomplished through two types of classes - extension courses offered by accredited colleges and locally sponsored in-service courses.
3. When college extension courses fail to meet the needs of the teachers, interested faculty may request the Board of Education to secure qualified instructors and to provide necessary housing for in-service courses which they feel will be of value.
 - A. If the Queensbury Board of Education or any other group or agency underwrites the cost of the course, the individual will receive no credit toward salary adjustment. However, if the teacher provides the funds required for instructional expenses, salary credit will be granted equal to that given to college accredited courses. If no cost is incurred by either party, salary credit will be given.
 - B. Queensbury teachers will have the first chance to enroll in these courses. However, after Queensbury teachers have been given sufficient opportunity to enroll, the course may be opened to area teachers.
4. Any course to be counted toward salary increment adjustment must meet the following requirements:
 - A. The course must be approved in advance by the administration and the school board to assure that its content is practical and will enable the classroom teacher to improve his/her skill in his/her teaching area.
 - B. Any credit hour course acceptable for college credit will be acceptable for credit hour payment.
5. If other schools in the area offer in-service courses meeting the requirements, teachers may request administrative and board approval so that they may receive salary credit for them.
6. There will be no salary allowances for in-service credits earned prior to 09/01/68.
7. Any teacher who is not certified in his/her respective field may take in-service courses, but salary credit will not be granted for such courses.

ARTICLE XIII - ACTIVITY PAY

As a means of providing extra pay for extracurricular activities, the Board of Education hereby establishes four categories or classes of activities. Each of these categories will have its own criteria.

At the beginning of the year, teachers who wish to lead an activity will come to an agreement with administrators on the number of hours the activity is to take. These hours will not be exceeded unless there are extenuating circumstances, in which case, additional hours of time must be pre-approved by the School Superintendent or his/her designated representative and the chief negotiator of the Queensbury Faculty Association or his/her designated representative after being presented said circumstances.

A committee representing administration and faculty will meet with advisers to decide on appropriate classes for all existing activities on or about February 1 and May 1 (depending on whether or not the activity has been completed prior to submission date).

Anyone interested in being an adviser of an activity should submit an application by May 1st.

Each applicant will receive written notification as to the administrative decision by May 31st of the current school year.

Advantages: This arrangement will allow an adviser to seek additional remuneration if his/her activity increased in size and scope. It will also provide a means of reducing remuneration if an organization becomes less active. Advisers of new clubs and activities may request assignment to their appropriate class.

CLASS A

- Criteria
1. The adviser devotes at least 200 hours to the activity.
 2. Most of these hours are after school, although the adviser will utilize time during the school day when possible.
 3. The end result of the activity is a production, publication or service the very nature of which is proof of the hours or preparation involved.
 4. The adviser assumes responsibility for an activity which is viewed and evaluated by the public and provides a major contribution to the total school program.

CLASS B

- Criteria
1. The adviser devotes from 125-200 hours to the activity.
 2. Most of these hours are after school, although the adviser will utilize time during the school day when possible.
 3. The end result is a minor, not a major, activity with less time and effort required in preparation than a Class A activity would involve.

4. The activity may or may not be public, but is deemed a worthwhile part of the school program.

CLASS C

- Criteria
1. The adviser devotes from 50-125 hours to the activity.
 2. Some of these hours are after School, although the adviser will utilize time during the school day when possible.
 3. Adviser assumes responsibility for projects of various kinds during the school year.
 4. The activity may not involve the public, or even the entire student body, but does serve a need.

CLASS D

- Criteria
1. The advisor devotes from 25 to 50 hours to the activity. New clubs must receive authorization from the building principal. (i.e., Service groups, new clubs, etc.)

An activity which meets most, but not all of the requirements of one class, will be placed in the next lower class.
